---

All,

WAFWA is holding their SIT meetings starting this week. On the agenda for each state is an update on the SSA and petition finding (which you will be expected to give for your respective state). This weekend I drafted the attachment to use as talking points for this. Please try to stick to the messages in the attachment and try not to speculate about the timing or outcome of the petition finding.

Also, if you are asked a question that you do not know how to answer just direct them to contact myself to discuss.

If you have any questions please let me know.

Please let me know if you have any questions

Talk to you soon
